Dear Mr. Wood:

On behalf of the administration and the eighth grade social studies teachers, I would like to offer thanks for your visit to our eighth grade students on Thursday, April 10, 2003. By offering your time and knowledge of the American Civil War era and the life of Abraham Lincoln to these children, you have enhanced their learning and knowledge in immeasurable ways.

Your depiction of this special president enabled him to truly come alive for our students. Faculty and students both were pleased and most appreciative of your willingness to be present that day and to share the wealth of information you have amassed. We are most grateful for your efforts for us.

Thank you for your friendliness, knowledge, and willingness to share. We hope that you would be willing to join us in our future endeavors, if at all possible.

Sincerely yours,

Beverly Trosley, Ed. D.
Chairperson, Social Studies Department
